FLEET | GOALS & LEAD GENERATION

2023

STORE GOALS:

- Each store should aim to sign up **4** fleet accounts by October 15 of qualified customers who have indicated they are ready to buy.
- If we can generate 10 customers per location, that can represent an additional 5-7% of sales per month per location.

LEAD GENERATION:

- To help provide more guidance to potential Fleet customers and get them into the right Fleet package, consider a few key questions as you discuss their fleet:

- **How many vehicles do you have in your Fleet?**
 - *Any number of vehicles qualify for a House Account or Prepaid Washes. 10 or more vehicles are required for Bulk Membership Plans.*
- **Are they always the same vehicles or are they different?**
 - *If they are always the same vehicles, then any Fleet option is available. If they are always different vehicles (say rental cars, dealership service centers, etc.) then they qualify for a House Account or Prepaid Plans.*
- **Are you able to pay by Credit Card or ACH / Direct Debit?**
 - *A credit card or ACH / Direct Debit is required for all Fleet Accounts.*
 - *We do not accept cash or checks for any Fleet option.*
- **Do you want to hand out wash coupons to customers / employees?**
 - *If barcodes / FastPass tags do not work for you, we can provide physical wash books.*
 - *We can also provide individual barcodes for print distribution.*
