

DRESS CODE POLICY

Revised: November 2023

Team Members are expected to uphold **WhiteWater Express's** image of cleanliness and neatness. Since our employees represent the Company to our customers, we need you to always dress and act in a presentable manner when wearing the company uniform and/or logo. Company branded clothing is only allowed to be worn during working hours.

Employees must present themselves professionally, including personal items, vehicles, etc. Inappropriate, offensive, or derogatory stickers, bumper stickers, and similar signage are not allowed on company property. WhiteWater reserves the right to decide what is inappropriate, offensive, or derogatory.

All Team Members are required to maintain the highest standards relating to personal hygiene including bathing and use of deodorant or antiperspirant, brushing of teeth, and use of mouthwash as necessary. Cologne, aftershave and perfume, are acceptable if applied lightly. While on the clock and company premises team members should not use or consume any substance that has strong odors (i.e., cigarettes, chewing tobacco, vapor cigarettes. etc.).

Managers are responsible for enforcing dress and grooming standards for their team members. Any employee whose appearance does not meet these standards may be counseled. If their appearance is unduly distracting or the clothing is unsafe, the employee may be sent home to change into something more appropriate.

Reasonable accommodation will be made for employee's sincerely held religious beliefs and disabilities when such accommodations do not cause an undue burden. If you would like to request an accommodation or have other questions about this policy, please contact the HR department at HR@whitewatercw.com or call 844-715-1250.
