REPORTING:

- To continue providing visibility into the status of fleet submissions, we will be providing reporting that indicates status, total fleets sold, and revenue.
- **Weekly:** Fleet Status Report showing each fleet submitted by location and the status of the accounts.
- **Monthly:** Fleet Monthly Report showing each location and the revenue from fleets. P&L's will continue to include monthly fleet revenue and will display a breakdown of fleet name and type.

GOALS:

- The Goal is for each location to generate \$1,500 of revenue a month in fleet sales with a Go-Get Goal of \$3,000 in Fleet revenue per month. With the new prepaid options, as few as 3 Fleet accounts will help stores hit the monthly revenue goal.
- Locations should strive to gain fleet accounts that generate recurring revenue and opt in for automatic reload.
- To generate \$1,500 a month in revenue, you should strive to reach out to 10 businesses or prospects a month.
- All locations that hit their Go-Get goal by December will win exclusive prizes.
- Digital prepaid accounts have the option to select 'Auto-Pay' for recurring payment. If selected, once the customer is close to depleting their Fleet washes, we can reload their account and auto collect payment. Setting up recurring prepaid plans will help you hit your goals each month.

FLEET | Store Support

Q3 2024

COLLATERAL:

- One-Sheeter:** Located on the intranet, locations can access a new sales sheet to provide a quick overview of what we offer for fleet prepaid washes and customers can checkout via the QR code on the page.
Intranet > Marketing & Branding > Fleet Information
- On-Site Signage:** To increase visibility of our fleet program, locations can order and display pump topper signs, as always-on messaging in the lot area to reach potential fleets. These were shipped to all stores in Q2, but any re-orders that are needed can be submitted through the intranet.
Intranet > Marketing & Branding > Store Site Needs
