

## Industrial Maintenance Technician

At WhiteWater Express, we are more than just a car wash; we are a company built on respect, communication, and a passion for people. Our dedicated team members are leaders within the company, and we believe that personal growth is the key to our organizational success. If you are a self-starter, motivated, and ready to take on new challenges, we want you to succeed with us, as a part of a rapidly growing business.

### Position Overview

The **Industrial Maintenance Technician** is responsible for ensuring the proper operation, maintenance, and repair of industrial equipment and machinery. The technician will perform preventive maintenance, diagnose issues, and implement solutions to keep production running smoothly.

### Key Responsibilities

- Travel to various locations for the repair and installation of car wash equipment.
- Diagnose and address equipment issues, ensuring efficient functionality.
- Perform preventive maintenance alongside store teams.
- Keep operations leadership informed with regular updates on repair progress.
- Install, maintain, and troubleshoot mechanical and electrical components in the car wash tunnel and equipment room.
- Independently identify and resolve issues in an Express Tunnel Car Wash setting.

### Qualifications

- 3+ years of experience with mechanical and electrical expertise.
- **Electrical Systems:**
  - 480V/230V 3-phase MCC troubleshooting and repair.
  - VFD troubleshooting and installation.
  - Low voltage control systems.
- **Mechanical Systems:**
  - Hydraulic and pneumatic repair and troubleshooting.
  - Air compressor repair and maintenance.
  - Chain drive conveyor maintenance and repair.

- Strong analytical skills with the ability to work independently and diagnose issues efficiently.
- Willingness to tackle new and exciting challenges daily.
- Must be able to lift 50 pounds.
- Ability to work in outdoor, all-weather, and rapidly changing environments.
- Comfortable coordinating efforts with contractors and vendors.
- Must be willing to travel to store locations to complete daily tasks.
- A team player who thrives on working with others to achieve results.
- Brings professionalism, a strong work ethic, and integrity to the role.
- Available for a rotating on-call schedule, including after-hours service needs.
- Must have reliable transportation.
- Must pass a background check and MVR check.
- Maintenance **Level II** or **Level III** professionals preferred.
